

Trending Losses and Incident Management

❌ Succeed Management Solutions will present a free webinar on the benefits of proactive loss analysis, incident management, and the best practices for proper incident reporting procedures.

The 45-minute webinar will be Tuesday, Oct. 14, beginning at noon Eastern time.

On its website, Succeed Management Solutions says this webinar was developed by certified safety and health experts who will provide an overview of the importance of loss prevention analysis, proper incident management programs, and how your risk management platform can help reduce your losses.

Register for the webinar.
