DALLAS – Trial lawyer Chris Simmons, co-founder of Lyons & Simmons, LLP, is among a select group recognized by the National Law Journal as “Plaintiffs’ Lawyers Trailblazers,” attorneys who are “born leaders.”

One of only 52 attorneys nationwide honored, Simmons was chosen based not only on his litigation success, but also for his role as an agent of change.

That focus also helped propel Lyons & Simmons’ recognition in 2020 as the top personal injury law firm in Dallas by readers of Texas Lawyer magazine.

Simmons’ reputation as a go-to trial lawyer in cases involving life-altering personal injuries, wrongful death, and “bet-the-company” business disputes has earned him recognition from Best Lawyers in America, Lawdragon 500, Texas Super Lawyers, D Magazine, and Texas Lawyer.
