Honor is the latest professional recognition for attorneys of trial firm Lyons & Simmons

Prominent Dallas trial lawyer and co-founder of the trial firm Lyons & Simmons, LLP Michael Lyons has once again been recognized among *D Magazine's* peer-nominated listing of The Best Lawyers in Dallas.

Selected to the 2020 listing based upon his work on behalf of plaintiffs in personal injury, products liability and medical malpractice litigation, this is the seventh time Lyons has been honored among Dallas' leading lawyers. He is among an even more select group of attorneys to have been recognized by *D Magazine* for both personal injury and business litigation.

Lyons' inclusion among the Best Lawyers in Dallas is the latest in a series of prestigious honors over the past few months for attorneys at Lyons & Simmons, a Dallas-based trial firm focused on representing clients in personal injury, wrongful death, and complex business dispute cases in Texas and throughout the United States.

Earlier this year, firm co-founder Chris Simmons was recognized among the top 100 attorneys under the age of 40 for 2020 by Texas Rising Stars. It was his fourth consecutive selection to the list of the state's top 100 young attorneys regardless of practice focus. Associate Stephen Higdon earned his second selection to the Texas Rising Stars listing of the

state's top young personal injury attorneys. Simmons has earned the same distinction each of the past seven years.

Simmons and Higdon also earned recognition among *D Magazine's* 2020 listing of the Best Lawyers Under 40 in Dallas. Additionally, Lyons and Simmons recently were recognized in the elite Lawdragon 500 Leading Plaintiff Consumer Lawyers guide for 2020.
