Hillary Clinton has bashed her probable eventual opponent Donald Trump for having led four companies into bankruptcy. But she was wrong, **reports Tom Winter** of NBC News: Trump actually has six bankruptcies on his record.

Those business failures include five casinos in Atlantic City, New Jersey, and a Manhattan hotel, he writes.

“Some may be referring to the three 1992 filings as a single bankruptcy; two of them were even filed on the same day. Or they may be lumping the three 1990s casino bankruptcies together,” Winter explains.
