

Trump Supporter's \$25m Defamation Lawsuit Against Alec Baldwin

"A Trump supporter whose Marine brother was killed in Afghanistan has had her \$25million defamation case against Alec Baldwin dismissed after she claimed the actor instigated online harassment against her," reports Jack Newman in Daily Mail

"Roice McCollum said she received threatening and hateful messages after the star reposted a crowd photo she had taken during the January 6 rally in support of Donald Trump, accusing her of being a rioter."
