

UNITY Biotechnology Announces Appointment of Alexander Nguyen as General Counsel

“UNITY Biotechnology, Inc. (“UNITY”) [NASDAQ: UBX], a biotechnology company developing therapeutics to slow, halt or reverse diseases of aging, today announced that Alexander Nguyen has been appointed general counsel,” posts Unity Biotechnology in their *Press Releases*.

“Mr. Nguyen previously worked for three Roivant Sciences companies where he served as general counsel at Alyvant, head of legal at Axovant, and as head of compliance at Roivant Sciences. His responsibilities included all corporate legal work, SEC filings, equity financings, venture debt deals, licensing agreements, corporate governance at board meetings, litigation, internal investigations, asset recovery, HR, IT, compliance, and risk management. He also led the drafting and negotiation of term sheets and oversaw due diligence for acquisition of commercial-stage assets. Before that, he handled a wide range of high-stakes litigation and investigations in the private as well as the public sector, including as deputy section chief and federal prosecutor at the U.S. Attorney’s Offices in Alexandria and Philadelphia, respectively, successfully leading dozens of cases involving cybercrime, data breaches, IP and trade secrets violations, FDA regulatory offenses, illegal importation of adulterated and misbranded pharmaceuticals, prescription drug diversion, white collar crime, identity theft and tax violations.”
