Using Court Reporters Throughout the Trial Process

Taylor English Duma LLP offers a complimentary on-demand webinar on litigation fundamentals, titled “Using Court Reporters Throughout the Trial Process.”

In the webinar, Henry M. Quillian III reviews techniques and advice for maintaining the court reporter’s record so that you can utilize it throughout the litigation. Quillian, a member of Taylor English, nationally litigates, arbitrates and solves commercial disputes in the construction, real estate, insurance, technology and general business sectors.

He outlines the various times a court reporter is called upon during the course of litigation, beginning with discovery and depositions.
