

Ethics and Compliance Predictions for 2016

No challenge is ever too big for a chief compliance officer, but such an attitude comes with a cost, warns **Michael Volkov** of the **Volkov Law Group** in his look at trends in compliance and ethics for the new year.

In his **article**, he discusses the elevation of the CCO in the boardroom, the consolidation of the CCO-CEO relationship, technology leveraging, the Justice Department's hiring of Hui Chen as a Compliance Counsel, and ethical decision making.
