

Webinar: Collaborative Contract Management

Ardent Partners has teamed up with Iasta, a Selectica Company, to offer a free webinar, Collaborative Contract Management: Procurement's Role in Enhancing Compliance and Mitigating Risk, on Wednesday, Feb. 18 at 11 a.m. Eastern time.

This webinar looks at collaborative approaches chief procurement officers and their departments should consider for advancing contract management.

The webinar will cover:

- The shift in the criticality of contract management for procurement
- Best practices for improving collaboration in contract management
- Technology approaches for improving contract management collaboration
- Integrating contract management as part of supplier management

Register for the webinar.
