

Webinar: Contingent Business Interruption Insurance

✖ Cozen O'Connor will present a webinar on the ramifications of natural disasters in terms of coverage for business interruption losses.

The free webinar will be Thursday, July 17, beginning at 11:30 a.m. Eastern time.

As Superstorm Sandy demonstrated in a dramatic fashion, a major storm or a similar catastrophe can affect businesses hundreds or even thousands of miles from the epicenter.

Using different hypothetical claim scenarios, participants will learn about the limits of basic business interruption coverage, the range of contingent business interruption (CBI) coverages available to respond to business income losses resulting from damage away from the insured's business premises and the limits of such coverage, as well as the unique considerations applicable to the measurement of business income losses under CBI insurance.
