

WGL Holdings to Webcast Q3 Fiscal Year 2014 Earnings

✘ WGL Holdings, Inc. will hold a live Internet webcast of its third-quarter fiscal year 2014 earnings conference call at 10:30 a.m. Eastern time Thursday, August 7, 2014.

Terry D. McCallister, chairman and CEO; Adrian P. Chapman, president and COO, and Vincent L. Ammann Jr., VP and CFO, will discuss the company's third quarter financial results for fiscal year 2014 and its financial outlook.

WGL Holdings will issue a press release disclosing the company's third quarter results after the market closes Wednesday, August 6, 2014. To access this earnings statement, click on "Press Releases" on the WGL Holdings website, wglholdings.com.

The webcast will be available to the public via a link on the WGL Holdings website. To hear the broadcast, click on "Live Webcast" on the home page of the site. Slides providing details of the company's results of operations will also be posted to the website prior to the start of the webcast. The webcast and related slides will be archived on the WGL Holdings website through Friday, September 5, 2014.
