

Which Firms Top the Am Law 100? And How Much Did Their Revenue Grow?

“The nation’s 100 highest-grossing law firms had an average 6.6% increase in gross revenue last year, despite the impact of the COVID-19 pandemic, according to Law.com’s reporting on its Am Law 100,” reports Debra Cassens Weiss in *ABA Journal’s News*.

“The increase topped the 5% revenue growth for the Am Law 100 in 2019, Law.com reports. Across all 100 firms, revenue hit \$111 billion. Revenue per lawyer increased nearly 5% to \$1.05 million, while profits per equity partner increased 13.4% to \$2.23 million.”

“These 10 law firms topped the Am Law 100 list:”
