Yerra Conference in London Will Feature Richard Susskind

The Yerra Solutions Annnual Conference (connecting the dots between strategy, operations and technology) will take place Oct. 29, 2015, at Wax Chandlers Hall, London. This is an exclusive event open to General Counsel, legal COOs and IP Heads to share best practices, network and discuss leading industry trends.

Professor Richard Susskind will present the opening address, title “The Future of the Legal Profession.”

The keynote speaker will be Markus Brinker of Johnson Controls, who will present “Connecting the Dots Between Strategy, Operations and Technology in a Legal Department.”

Register for the conference.
